PRESIDENT OF ART MUSEUM
WILL LECTURE ON COINS

Mrs. R. Henry Norweb, President of The Cleveland Museum of Art, will discuss ART IN COINAGE this Sunday, November 21 at 3:30 p.m. She will point out, using illustrations of outstanding coins, the problems encountered when artists adapt designs for currency. The lecture was recently presented at the national meeting of the American Numismatic Society.

Mrs. Norweb is an international authority on coins and coin-collecting and the Norweb collection is ranked among the world's most important. The Museum is currently displaying, on extended loan, 80 of Mrs. Norweb's early and late gold coins from Britain.
